Commissioner:

In response to the Decision Dismissing Petition dated June 12, 2009, this is a request for reconsideration of the Petition under 37 C.F.R. § 1.324 submitted on February 5, 2009 to correct inventorship of the above-identified patent.

The petition was dismissed on the basis that it lacks a statement from all assignees of the parties (1) that are submitting a statement to be added as an inventor, and (2) that agree to the change of inventorship in the patent.

The patent issued to (a) Earl Jordan and (b) Paul R. Persiani.

The patent has been assigned to a single assignee, ONEGLOVE, LLC.

Patent No. 6,901,723
Ser. No. 10/803,447

The only change to inventorship is the deletion of Paul R. Persiani.

Thus, to comply with the Request for correction, a statement is required by Earl Jordan, by Paul Persiani, and by ONEGLOVE, the only assignee.

Applicant respectfully submits that ONEGLOVE, LLC is the only assignee of patent number 6,901,723 and that Earl Jordan, an officer of ONEGLOVE, is an authorized person to act on behalf of the assignee.

Paul Persiani, who was erroneously named as a co-inventor in the '723 patent, and whose name is sought to be removed by this petition, is not an assignee for the '723 patent. Therefore, Applicant respectfully submits that the petition to correct inventorship of the above-identified patent as submitted on February 5, 2009 satisfies the requirements of 37 C.F.R. § 1.324. Reconsideration and a certificate of correction are respectfully solicited.

Patent No. 6,901,723
Ser. No. 10/803,447

If necessary, the Commissioner is hereby authorized to charge extra payment or credit any overpayment to Deposit Account No. 11-1159 for any additional fees required.

Respectfully submitted,
